USAFMCOM
Operational Support Team

Objectives

- Why ECC.
- Where is the ECC used.
- Need to Know.
- How to use ECC.

Why we have the ECC

EagleCash™ (EC) is a card-based cash management program used by the U.S. military to reduce the amount of U.S. currency transported to support contingency areas of operation.

Why we have the ECC

- EagleCash is a Stored Value Card that replaces dollar bills and coins with secure and convenient “electronic currency”.
- Main Goal is to remove all currency from theater.
- More convenient for Soldiers with 24-hour access to the Eagle Cash Kiosk.
- No more waiting in long lines in the Finance Office.

Where Can I use my Eagle Cash Card.

Most FOBs use Eagle Cash at:

- Bizarre
- PX/BX
- Vendors
- Post Office
- Finance Office
- Barber Shop

Need to Know

- Soldier's will only be allowed to get $100.oo per month off of the Eagle Cash Card from finance.
- If the money is not in your account do not load money on to your card.
- The max upload limit on your Eagle Cash Card is $9,999.99. Max load limit per day is $350.00
- Unload can be done at anytime for any amount as long as it's on your Eagle Cash Card.
- Eagle Cash Card is a great way to put money in your Saving's Deposit Program.
- SDP load exception.

All you need to use the ECC
